Microtome Edge

Wavecut

Noir Supreme Cut Scissors

- Noir
  The combination of the renowned Aesculap Tungsten Carbide technology with the Aesculap Noir coating results in an extremely high surface hardness and therefore high wear resistance in daily hospital use.
- Microtome edge
  The extremely sharp cutting edge of the scissors blade facilitates gentle cutting of tissue with minimal use of force.
- Wavecut helps prevent tissue from slipping out during the cutting process.
- The WB after the item number indicates the Noir scissors are the wavecut style, e.g. BC211WB.
